

## TEACHER PREP

### HANDOUTS:

The list of the Erech/Values that will be covered in this lesson. They should use the back of the paper to make the list of obstacles before the story is read, and the Erech side of the paper when broken down into groups.

---

## GOALS & OBJECTIVES

### GOALS OF LEARNING ABOUT THIS VALUE:

- Understand and identify obstacles/stumbling blocks the visually impaired and others encounter in their daily lives (physical as well as emotional)
- Become more aware of their own behaviors toward different kinds of people and how they can improve these behaviors and be more inclusive
- Gain a full understanding of the meaning of being created in G-d's image.
- Opening the eyes of the blind- what does this mean?
  - We are helping G-d to provide safe mobility through the use of a Guide Dog
  - We become aware and open OUR eyes as we become more aware of the daily issues and obstacles the blind/visually impaired encounter
- How helping others makes us better people (Rebbe Nachman lesson)
