Dear Noach,

It is my great pleasure to inform you that, following the assessment undertaken of your organisation by Sam Tawada, the IGDF Board is delighted to grant Israel Guide Dog Centre for the Blind continuing membership of the International Guide Dog Federation (IGDF).

The other Board Directors and the Accreditation Committee join me in congratulating you and your organization for continuing to meet the high standards set by the IGDF.

Attached you will find an electronic copy of your full accreditation report. Please note that a hard copy of this letter and accreditation certificate will follow by post in the next month.

In the meantime, if you need any further information or have any questions, please do not hesitate to contact me.

Regards,

Jane
